Independent statutory auditor's report on the review of the half-year condensed consolidated financial statements

To the Shareholders and the Supervisory Board of KGHM Polska Miedź S.A.

Introduction

We have reviewed the accompanying half-year condensed consolidated statement of financial position of KGHM Polska Miedź S.A. (hereinafter called the "Parent Company") and its subsidiaries (together hereinafter called the "Group") as at 30 June 2025 and the related half-year condensed consolidated statements of profit or loss and comprehensive income, changes in equity and cash flows for the six-month period then ended, and the related explanatory notes (the "half-year condensed consolidated financial statements").

Management of the Parent Company is responsible for the preparation and presentation of these half-year condensed consolidated financial statements in accordance with the *International Accounting Standard 34 Interim Financial Reporting* as adopted by the European Union. Our responsibility is to express a conclusion on these half-year condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with the *National Standard on Review Engagements 2410* in the wording of the *International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity* as adopted by the resolution of the National Council of Certified Auditors. A review of half-year financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying half-year condensed consolidated financial statements have not been prepared, in all material respects, in accordance with the *International Accounting Standard 34 Interim Financial Reporting* as adopted by the European Union.
