Marcin Kaczanowski

Graduate of studies of higher engineering in mining and geology. Associated with KGHM Polska Miedź S.A. since 2006 roku, when he commenced work in the Rudna Mine in the position of measurements specialist. Next he gained experience as an underground miner, becoming familiar with working in mines from the basics. In 2017 he was given the position of shift chief of an underground working section, responsible among others for organising crew work and their safety.

From the start of his professional career he has actively been involved in the NSZZ „Solidarność” trade union, participating in negotiating processes as well as initiatives to improve working conditions and worker safety. He represents the employee environment in regional and national structures of the trade union, serving among others as Vice-Chairperson of the Board of the trade union Krajowa Sekcja Górnictwa Rud Miedzi, Member of the Board of the Copper Basin Region, Member of the Board of the National Mining and Energy Secretariat and a Delegate to the National Delegates Conference.

Bogusław Szarek
