

FORM
FOR VOTING THROUGH A PROXY

Use of this form is solely within the prerogative of the shareholder and is not a prerequisite for voting by a proxy. This form contains instructions for the casting of votes by a proxy, and does not supersede the proxy authority granted to a proxy by a shareholder.

The shareholder indicates his instructions by placing an „X” in the appropriate box. If the box marked „Other” is filled in, the shareholder should provide instructions as to the manner of voting by the proxy.

In a case where the shareholder decides to cast their votes in a non-unified manner, the shareholder is requested to indicate in the box provided the number of shares for which the proxy is to cast a vote of „for”, „against” or „abstain”. If no such number is indicated, it will be assumed that the proxy is authorised to vote all of the shares owned by the shareholder in the prescribed manner.

It should be noted that the proposed resolutions included in these instructions may differ from the proposed resolutions voted on at the Extraordinary General Meeting. In such a case, in order to avoid doubt as to the manner of voting by the proxy, it is recommended that in the box marked „Other” the manner in which the proxy should act in this situation be described.

The Company also wishes to add that it will not verify whether the manner of voting of a proxy is consistent with the instructions of the shareholder. Consequently, voting instructions need not be provided to the Company.
