**Resolution No. /2013
of the Ordinary General Meeting of KGHM Polska Miedź S.A.
with its registered head office in Lubin dated 19 June 2013**

regarding: the appropriation of Company profit for financial year 2012.

The General Meeting of KGHM Polska Miedź S.A. resolves the following:

I. Following review of the proposal of the Management Board concerning appropriation of profit for financial year 2012, the General Meeting hereby resolves that:

the profit of KGHM Polska Miedź S.A. for financial year 2012 in the amount of **PLN 4 868 248 549.87**, shall be appropriated in the following manner:

- as a shareholder dividend **PLN 1 600 000 000.00**,
representing **PLN 8** per share,
- to the Company's reserve capital **PLN 3 268 248 549.87**

II. The General Meeting hereby sets the following dates:

- right to dividend date: **12 July 2013**,
- dividend payment dates:
1st instalment of 4 PLN/share: **14 August 2013**
2nd instalment of 4 PLN/share: **14 November 2013**.

III. This resolution comes into force on the date it is adopted.

JUSTIFICATION

The level of dividend recommended by the Management Board was positively evaluated by the Supervisory Board of KGHM Polska Miedź S.A. In the opinion of the Management Board, the funds allocated to reserve capital will be used to finance the investment program, with borrowing at a safe level, one which does not expose the Company to excessive financial liquidity risk.

In recommending a dividend of PLN 1.6 billion, the Management Board took into consideration the specific conditions in which the Company operates, resulting from its business model. These primarily include:

- the need to ensure the financing of the strategic investment program over the next 3-5 years,
- the sensitivity of the Company to changes in the USD/PLN exchange rate and in metals prices, with high market volatility,
- the high share of the minerals extraction tax in the costs structure,
- the optimum debt level,
- the extraction of copper ore from deep deposits and the related high costs, and

- the need to replace production capacity - the high level of depreciation in operating costs.

In the opinion of the Management Board, the proposed dividend represents a compromise between current shareholder interests and the need to ensure development and an increase in Company value over the long term.

The proposed period between the right to dividend date and the payment date is longer than the 15 working days recommended by the Code of Best Practice for WSE-Listed Companies.

Setting a longer period between these dates is justified by the need to execute taxpayer obligations by KGHM with respect to the flat-rate corporate income tax on dividends paid in a timely manner and in accordance with laws in force.

Beginning from 1 January 2011, there has been a change to the Corporate Income Tax Act dated 15 February 1992, among others with respect to tax exemptions. Additionally, art. 6 sec. 1 of the updated law exempted from taxation joint investment bodies and pension funds acting on the basis of law on the organisation and operation of pension funds, having their head office in an EU member country other than the Republic of Poland or in another country belonging to the European Economic Area, under condition that they meet all of a variety of specified criteria, requiring documentation pursuant to laws in force.

The aforementioned changes to the laws place on the Company and Brokerage Firms additional obligations to collect documents which must be obtained from shareholders and verified prior to the dividend payment date.

Under the current obligatory process of setting the net amount of dividend payment set forth in the „Detailed Rules of Operation of the National Depository for Securities”, the Issuer, i.e. KGHM Polska Miedź S.A., receives from Participants (Brokerage Firms) shareholder data, including data on the right to the dividend, tax residency certificates, and also since 2011, declarations arising from the updated Corporate Income Tax Act, as mentioned above. These documents should be collected by Brokerage Firms within four working days from the right to dividend date.

The rights to dividend date proposed by the Management Board and dividend payment dates were positively evaluated by the Supervisory Board.

**Resolution No./2013
of the Ordinary General Meeting of KGHM Polska Miedź S.A.
with its registered head office in Lubin dated 19 June 2013**

regarding: the offsetting of profit from prior years with the reserves arising from actuarial gains and losses.

The General Meeting of KGHM Polska Miedź S.A. resolves the following:

- I. The General Meeting of the Company hereby resolves to offset profit from prior years in the amount of PLN 356 122 008 with the negative amount of the reserves arising from actuarial gains and losses in the amount of PLN 356 122 008 which arose due to changes in accounting policy.
- II. This resolution comes into force on the date it is adopted.

Justification

On 1 January 2012, due to changes in International Financial Reporting Standards - IAS 19 *Employee benefits*, as required, KGHM Polska Miedź S.A. introduced a change in accounting policy with respect to recognition of the impact of changes in estimates of future employee benefits using actuarial methods.

As a result of the retrospective application of the new accounting policy, i.e. as though it had always applied to the Company, there was an adjustment in result from prior years – an increase in profit in the amount of PLN 356 122 008, and a decrease in the reserves arising from actuarial gains and losses in the amount of PLN 356 122 008, which in effect did not change the balance of Company equity from prior years, but did affect the analytical composition (including profit from prior years) of the statement of financial position item „retained earnings” without affecting its value.

Taking into account the above justification and the positive evaluation of the Supervisory Board, the Management Board requests the offsetting of profit from prior years in the amount of PLN 356 122 008 with the negative amount of the reserves arising from actuarial gains and losses in the amount of PLN 356 122 008 which arose due to changes in accounting policy.

The proposal of the Management Board regarding the offsetting of profit from prior years with the reserves arising from actuarial gains and losses, directed to the General Meeting of the Company, is available at the Company website www.kghm.pl under *Investors / General Meeting*
